

MEMOIR:

Bring your memories to life!

with
Nancy Mellon

Whether a personal, family or community biography, hone your writing and artistic creativity to welcome the new year with lively new perspectives, and confidence in life. Discover ways to nurture and express your memories with wonder and creative ingenuity. Bring pens, colored pencils and an unlined notebook to write freely. Nancy will provide inspirational examples and a variety of prompts at each session.

Monday mornings 9-10:30
January 8 - February 12, 2024
Sliding scale fee

**This course will take place in a beautiful
private space in Chatham, NY**

Nancy Mellon leads healing story workshops and courses worldwide that brim with creativity. She also has helped people to write and to successfully publish their memoirs. For more information, or to inquire about private sessions, see her website at www.healingstory.com
